

YOUR PENSION IS ***UNDER ATTACK — AGAIN!***

..... ***PLUS!***

LEARN ABOUT EXECUTIVE BRANCH UNITS' TENTATIVE AGREEMENT

***Come to an urgent meeting to learn
more about these two important issues!***

- Your pension plan helps guarantee your ability to retire with dignity. It protects you from the ups and downs of Wall Street and will provide a steady reliable income in retirement.
- Defined benefit plans like yours are safer and more predictable for you, and are actually cheaper for the State of Vermont than risky 401(k)-style plans.
- Now, Vermont's millionaires, who ***haven't seen their taxes raised in over 28 years***, are threatening the pensions of state employees who've given years of service to Vermont, rather than pay even a penny more in taxes.
- Your union's meeting will give you the latest information about this threat and what you can do right now to defend your pension.
- You'll also be updated on the tentative contract agreement just reached by VSEA's Executive Branch Units.

There's No Time To Waste. Join Us!
