

Vermont State employees will join together on Tuesday, February 18, to talk with legislators about the services you provide and the issues and challenges you and your colleagues face. At Lobby Day, VSEA members can demonstrate our collective power at the State House and remind legislators that we're not only state employees who provide services, we're also Vermont voters, and we care about the adverse impact service and personnel cuts are having on the communities where we live.

Fight Back - Defend Public Employees!

Tuesday February 18

8:00 AM - 4:30 PM at the State House

4:30 PM - 7:00 PM at Capitol Plaza

Members will have to take leave time for work day events.
Please contact VSEA Union Organizer Josh Massey (jmassey@vsea.org) or
VSEA Legislative Director Steve Howard (showard@vsea.org) to RSVP.
