

## VSEA Member Committees Need You!

VSEA offers members multiple ways to get involved with your union, but one of the most important ways for members to contribute is by volunteering to sit on a VSEA Committee. VSEA has numerous in-house committees, and interested members are urged to volunteer today to join one or more.

Here is a list of VSEA's current standing committees:

- Awards/Scholarship Committee
- Benefits Advisory Committee
- Budget Committee
- Building Committee
- Bylaw Revision Committee
- Child and Elder Care Committee
- Communications Committee
- Diversity Committee
- Dues Equity
- Election/Rules/Nominating Committee
- Insurance Committee
- Legislative Committee
- Member Support Committee
- Membership Recruitment Committee
- Policy Committee
- Retirement Study Committee
- Special Events Committee
- Grievance Committee

*Note: Signing up for a committee does not ensure you will be appointed to that committee. VSEA's President is charged with reviewing current committee participation and appointing interested members to desired committees, where need and space exists.*
