

Name: Senator Bill Doyle  
District: Washington

1. Should the work of state government be performed by state employees?

Yes

2. As an elected official, how would you improve the overall safety of state employees? Make sure that their workplace is safe in all respects

3. What is your plan to make the health care system more fair and equitable for working Vermonters? I will support legislation that accomplishes that

4. Will you support collective bargaining and vote against "right to work" legislation in any form? Yes and yes.

5. What do you see as the role of state employees and how would you support them in their role? I've given strong support to support state employees and will continue to work closely with VSEA.

6. What mechanisms would you put in place to avoid budget shortfalls? Would consider legislation to accomplish that.

7. What approach would you take to make higher education more affordable for Vermonters? Would support increased financial support. Higher Education is seriously underfunded to the great detriment of students

8. What would you do to ensure the viability of the state college system? Increased funding and possible mergers

9. Do you support a livable wage for Vermonters? If so, what do you think that amount should be? Yes and the goal should be \$15.00 / hour.

10. Briefly state why the VSEA should endorse you, and describe the type of assistance that you would be seeking from a VSEA endorsement.

With the help of Connor Casey, many of my students have had VSEA internships which I hope will continue in the future. I've had the VSEA endorsement for many years and if endorsed would like help in my campaign as I have in the past.
