

Hello V.S.E.A. Members,

My name is Jason Rushlow. I am running for V.S.E.A. president. I have been a member for 19 years. I currently work for the D.M.H. at the V.P.C.H. I am the V.P.C.H. Chapter president and prior to moving to central Vermont I was the Franklin/Grand Isle chapter president. I have had the privilege of working in the department of corrections prior to moving a little over five years ago. The reason I am running for office is that I personally feel that our front-line workers are overlooked sometimes when it comes to difficulties that we face in our jobs. I want to make sure that every voice is heard and given a platform to speak. One of the ways that I envision is like the meetings that were held at headquarters. I want to expand on that. I feel that we can do that together. I am also open to all feedback from our members to help strengthen our mission.

Thank you.

Jason Rushlow
