

It's About Your Pension!

Alert! The December 9 State Pension Task Force meeting is one of its last before the committee finalizes its recommendations to present to lawmakers and State officials. VSEA, the VTNEA and the Troopers are coordinating to try to get as many members and retirees as possible to the meeting in person to listen to the discussion and to put a strong face on the Vermonters impacted by the Task Force's recommendations. Concerned VSEA members and retirees in central Vermont are urged to attend this meeting in person.
