

# VSEA Hosting "A Day In The Park" For Members & Families!

Elmore State Park

On **Sunday, July 16**, VSEA is hosting a "Day In The Park" for members and their families to enjoy one of four Vermont state parks, including:

Camp Plymouth State Park (Wedding Grove Bldg.) Plymouth;  
Crystal Lake State Park (open area), Barton;  
Elmore State Park (Beach House) Morrisville; and  
Sand Bar (open area), Milton

At each of the parks listed, VSEA Chapters will be providing members and their families with free park entry, plus free food and beverages. The park day is meant to be a small thank you to VSEA members for your hard work!

*Note: To verify your state employee status, please be prepared to present your state ID badge when entering one of the four parks on July 16. Also, **no pets are permitted, unless you require a service animal. Thanks.***

**For planning purposes, and to ensure individual park capacity limits are not exceeded, VSEA members are asked to register online. You can find a short reservation form by scanning this QR code with your smartphone or by visiting [VSEA.org/park](https://vsea.org/park)**
